## EXPERIENCE

### Kung fu tea, Bluffton – Worker

September 2022 - August 2024

I worked at Kung fu tea for two years. At this job I was tasked with making drinks and learning how to better communicate with customers.

### Boys and girls club, Bluffton — Volunteer

June 2022 - PRESENT

I have recently been volunteering at the boys and girl club and have been learning a lot about what it takes to be involved with the club.

### Student council, Bluffton — Member

August 2021 - June 2022

As student council I had to get out of my comfort zone and think of everyone else and what would be best for the students at my school.

## EDUCATION

### University of South Carolina – Bachelors of Computer Science

I am a Freshman studying at the university of South Carolina

## PROJECTS

### Model UN

In model UN I had to research my State and learn as much as I could about it in a limited amount of time. I had learned about problems and what the state needed. I then went in with my whole class to have a debate-like environment talking about our states.

## SKILLS

Java

Python

Computer Hardware

Bulgarian

## AWARDS

### Outstanding statesmen

At YIG I received this award out of around 700 people which means I had been asking questions and was a core person in the process.

### Head of school

I have been head of school for my entire time at cross schools.

**Piano recital:** I have been at piano recitals, competed, and won awards.
